

ALERTING OF PRESENCE/ ABSENCE IN THE NURSING BED

AnnaCare

THE INTELLIGENT SENSOR PAD FOR CARE

APPLICATION

AnnaCare is an intelligent sensor pad for detecting presence and absence in bed to provide more safety for people with dementia and persons at risk of falling. At the same time, caregivers receive the best possible support through timely alarms and are relieved in their daily work. With its discreet and unobtrusive placement under the bed roll, AnnaCare does not represent another tripping hazard and does not have to be moved for cleaning.

TECHNICAL DATA

Dimensions:	200 x 300 mm (approximately DIN A4)
height:	only 5 mm
weight:	120 g
Power consumption:	1 W
Cable length:	up to 3 m
Installation:	Plug & Play
Connection:	compatible with existing alarm and emergency call infrastructure

AREAS OF APPLICATION

- Retirement and nursing homes, hospitals, clinics, psychiatric wards as well as assisted living group facilities

INSTALLATION

- All common call systems with protective extra-low voltage or with external power supply
- Unobtrusive placement under the bed roll
- Plug & Play

PROPERTIES

- Reliable alarm transmitter
- Mobile application
- Easy to clean and hygienic material
- Robust and durable construction

ADVANTAGES FOR CAREGIVERS

- Rapid response when leaving the care bed
- Reduction of night-time checks
- Reduced follow-up costs for the health care system

ADVANTAGES FOR RESIDENTS OR PATIENTS

- Unrestricted freedom of movement
- No instability of the care bed due to ultra-thin sensor pad
- Feeling of safety due to visible protective device
- Improved quality of life

READY FOR USE IMMEDIATELY

AnnaCare is already set up so that you can use the system immediately. Only in case of customized alerts, settings can be flexibly adapted via smartphone, tablet or PC to the mobility of the resident and preference of the caregiver.

The protection of your personal data is important to us. Data processing takes place in the sensor itself and is completely anonymized..

Active time zone & delayed Alarm programmable
